Nice cozy apartment with a fantastic view of the bay! Audrey met us (follow her directions as our car's GPS got confused by the complex streets) and was wonderful in showing us the apartment and telling us about the area! Villefranche sur Mer is a wonderful place to stay - you can park a car for the duration of your stay (parking place provided) and take train and bus everywhere up and down the coast. Markets, grocery stores and boulangeries all nearby - we cooked in often and had fun eating in the many restaurants just a short walk away. The apartment is in the middle of a no car zone, down and then up some steps, but without difficulty. Merci Audrey pour une Bon Vacances!

This apartment is simply wonderful. We have been there twice (the end of March and the beginning of December) and have been very lucky with the weather both times. The off-season quietness and friendliness in the town is also a big plus. Audrey has been a very helpful host for us. We give her and the place our most sincere recommendations. Our host Audrey was most helpful with everything. My husband and I arrived and she was there to greet us. She explained everything about the apartment as well as gave us many tips and advice on things to see and where to eat. The apartment was even better than the pictures, and was equipped with many extras. The view off the balcony was gorgeous. Many hours were spent enjoying it with a glass of rose. Also, the location was perfect to all the shopping and very close to the beach. We hated to leave and would love to return and stay again at this very wonderful apartment.
